MERRY CHRISTMAS!!

Pastors' Conference: Our conference in September was a great blessing with over 560 Pastors and 150 Pastors' wives and many church workers. It is always a blessing to see many Pastors encouraged after our meeting. I am amazed at the sacrifice and dedication of so many Pastors. Their lives humble me. We try to be a blessing to these Pastors, but their lives and service to the Lord are a blessing to us. Pastor Mike Ray and Pastor Gerry Nable came and peached for the conference. Pastor Ray preached our revival and our family and our church were revived. He brought many books for the pastors and our college students.

Giveaways to the Pastors: We were able to give tracts and Beams Bibles, New Testaments, and John and Romans. Each Pastor received a packet of books (10) that was sent to us from the Sword of the Lord. I want to thank them for this great help. Many Pastors have very little in the way of study helps. About six years ago we gave out Thompson Chain Reference Bibles to these Pastors. This year we gave 360 of these Bibles to those that did not get one before.

Missions Month: Every October is our Missions Month, and it is amazing how God continues to bless our church and our people. I remind them often that if we will take care of the Mission Field, God will take care of our church. We started supporting five more foreign Missionaries and five local Filipino Pastors that are starting new works.

Family Month: Every November is family month in our Church. In Sunday School, all the lessons were about the home, and in the morning services, the preaching was about the home. Our desire is to help people to have good and godly homes, so their children can have a different life. Often I tell our people, "I know how to help teens and children. Help the parents and their kids will be ok."

May God Bless You,

Doug & Becky Sisson
